On 11-20-21 I received the attached letter providing incomplete information in relation to the case, such as the claim amount being referred to during the whole case as \$99, not including the interest owed, thus not complying with the provisions of Act 106.

The basis for the debtors' request for the claim to be dismissed is false. The administrative hearing by the Government of Puerto Rico Employees' Retirement System has been rescheduled on two occasions. They also incorrectly titled the request requested by the undersigned, Contributions Reimbursement, to confuse Prime Clerk, when the request is in compliance with Act 106, which they have not attended to thus far.

The note that they put:

"The proof of claim and the supporting documentation only indicate an obligation between the plaintiff and the State Insurance Fund, which is not a party to the Title III proceedings."

This response is incorrect, since the government of PR has failed to report the correct amount of contributions submitted by the plaintiff as ordered by Act 106, which is part of the debtors' agreements with the Plaintiffs. Therefore, I complied with reporting the non-compliance of the government of PR as required by the PROMESA Act, which assigned it the case and then reassigned it or changed it to number 177716-1.

Therefore, I request that the petition to disallow the undersigned's claim not be granted. I communicated this information via telephone on 11-23-21 to Laura over the Prime Clerk telephone guidance line, who notified me that I could send a response even days after 11-29-21, given the late date of receipt. I am submitting a document via email today 11-29-21, at 10:04 p.m.

Thank you

Appeal to the Government of Puerto Rico Retirement Board

That on June 23, 2021, I received a second instruction from Prime Clerk by mail, entitled Administrative Reconciliation Notice, assigning a new Claim number 177716, claim amount of \$99,793.52 without interest, relating to cumulative contributions through June 30, 2013, Act 1, Public Servants and Pension/Retirement Claim. This notice orders the Retirement System Administration to carry out an administrative reconciliation (See Exhibit II).

That on December 19, 2019, I sent a letter to the Government of PR Retirement Board and to Prime Clerk in relation to the provisions of Act 106 of August 26, 2017, Act to safeguard the wellbeing of Pensioners and Public Servants and non-compliance with the provisions of this Act, specifically Chapter I, Article 1.4, Public Policy, protecting the future of our public servants, ensuring that they can have a decent retirement, FREE of uncertainty, SEPARATING their personal contributions, securing same... in separate ACCOUNTS. In my case (Eva Meléndez) Act 1 at 06-30-13, Act 3 (Hybrid) at 06-30-17 and Act 106 from 07-01-17 to present.

Chapter II of Act 106, account for the payment of pensions accumulated via the Retirement Systems, in Article 2.2, Record of Cumulative Pensions, sets forth that a record of each participant, beneficiary and Pensioner of the Retirement Systems shall be created reflecting in detail the amounts corresponding to each as a cumulative pension, according to their respective Retirement Systems, up to the date that Act 106 enters into force; it shall include, without limitation, the cumulative benefit to which the participant is entitled and the History of Employment and the Contributions made, in accordance with each applicable retirement Act in which the participant, beneficiary and Pensioner of the three Retirement Systems contributed. A term of no more than 180 days from the approval of Act 106 of August 23, 2017 is set within which to produce a record of all the participants including each participant's cumulative pension, for the three retirement systems, at the time that Act 106 entered into force, and their terms of payment. The three retirement systems must take all the measures necessary for ENSURING that the

record contains true and accurate information with regard to each participant, beneficiary or Pensioner. Therefore, due to non-compliance with the terms established, I personally requested the certification of the Account Statement as of November 09, 2017, and I sent a letter in this regard. (See Exhibit III).

That on June 12, 2021, I received an acknowledgment of receipt, from the Retirement System Administration dated May 25, 2012, decision of the Services Department for Participants of the Government of Puerto Rico Retirement Board, in response to the first Order issued by Prime Clerk for an Administrative Reconciliation in relation to my claim (Proof of Claim number 31272) and letter sent on December 09, 2020, to Mr. Luis M. Collazo Rodríguez, Retirement Systems Administrator, and to Omar Marrero, Executive Director, Government of PR Retirement Board in relation to the Administrative Reconciliation, PROMESA Title III 17 BK 3283-LTS. (See Exhibit IV).

Therefore, the cumulative contributions reported by way of the May 25, 2021 letter, which was received on June 12, 2021, stating that Article 5-110 of Act 447 of 05-15-51, amended, stipulates that the public service severance benefits ARE when permanently leaving the service. That, due to being an active employee, I will be entitled to receive the benefits at 65 years of age, I will be able to request the pension benefits three (3) years prior to reaching the age required to Update Contributions and state, if any? ...

Furthermore, it indicates that when I filed the pension with the Participants Department it was updated and corrected (contributions) in the system. However, Act 80 of August 03, 2020, on the Incentivized Retirement Program was created, and they sent the Option Form indicating that my participation would be final and irrevocable, where they had to submit amendment 2021-03, in which it was established that my current status, rights and working conditions are not compromised, nor shall there be any legal effect due to not completing the program's implementation. This continues to be discussed in the Fiscal Control Board, which issued its opinion on June 24, 2021, of not endorsing, while providing some parameters whereby it could be considered for some agencies or Corporation. (see Exhibit V)

Furthermore, it indicates that I have accumulated \$131,378.79 in contributions and/or 21.25 years contributed as of June 30, 2013, Act I, in other words \$92,666.79 in contributions and \$38,712.00 in interest as of May 25, 2021. This is still without providing the opportunity to summon the Retirement System Administration to verify the amount of \$7,126.73 included in Exhibit I that would be yet to be credited, where it would reflect a contribution greater than \$99,793.52, and with the interest it could reach a total of \$149,793.52, under Act 1, thus complying with Act 106, ensuring that the record contains true and accurate information with regard to each participant.

Furthermore, the May 25, 2021 response, received on June 12, 2021, is signed by Ms. Marilisa Marrero Negrón, Director of the Participant Services Department, and not by Mr. Luis M. Collazo Rodríguez, Administrator of the Retirement Systems' Administration, nor by Omar Marrero, Executive Director of the Government of PR Retirement Board.

Therefore, I request the appeal as a participant and that I be notified of the Board's decision in relation to the correction of the contributions as of June 30, 2013, Act 1, according to the above information, which must be updated with the interest at present. In turn, what Ms. Marrero, Director of the Services Department for Participants, refers to when mentioning updating the contributions, if any. This shows disinterest in providing guidance, clarifying, or correcting, as stated in Act 106.

I certify that I am forwarding a copy of this appeal and PROMESA Title III Claim No. 17 BK 3283-LTS Number 177716 to Prime Clerk, LLC,

The amount claimed as of 06-30-2013 from the Government of Puerto Rico Retirement System Administration should read as \$99,793.52, and the amount reported by said entity is \$92,666.79. Furthermore, the interest is missing, therefore the total cumulative amount contributed should be around \$149,793.52 under Act 1, and to comply with Act 106. Therefore, I request that the request to disallow the undersigned's claim be denied.
